

Active Citizenship for Sustainable Learning

KA2 - Schools Only Partnership 2515-FR01-KA219-015184 1

This project was funded with the support of the European Commission

This April a special camp was organized and took part in Italy. People of different countries had the chance to participate and communicate with each other. We, the Greek team, arrived at 4th of April along with some other groups.

At 11:30 am we arrived at the airport and with a bus that was waiting for us we headed in another airport to take the Polish people too.

From 1:30 to 3:30 we had free time in the city of Pergamo.

At 3:30 we headed again to the airport to take the Lithuanians students and teacher. After four hours we finally arrived in kaza de patra.

After an hour and half we found our rooms and our new roommates. At 9:30 pm we had dinner and we went for sleep.

We were amazed by the environment of this country. We didn't expect to stay in a church-like building and we had problems with finding the rooms we would stay but the leaders of the program did whatever they

could to help us.

5th of April, Tuesday

Next morning we woke up at 7:30 am to have breakfast.

We then formed groups based on colors and took part in energizing activities, some drama games and had language lessons.

At 1:00 we had lunch.

After lunch, Lady Tania Bussi sang an amazing opera song for us. She also helped us choose the Erasmus melody by voting and made some lyrics on it.

At 6:00 we made secondhand T-Shirts which we wore in photos.

At 7:00 we had relaxing time, dinner and filling the booklet.

At 9:00 we went to our beds.

This day was quite interesting as we did a lot of activities and the leaders of the program were more organized.

6th of April, Wednesday

At 7:30 we had breakfast.

At 9:00 we took the bus to a nearby school. We attended its presentation and visited an exhibition of Samperi's drawings.

We had a break and at 3:00 we hiked up on a mountain full of snow. We had a picnic there, and then saw a frozen lake and learned a lot about its history.

We returned to the hotel later in the evening and at 7:30 we had dinner.

At 9:00 we did a presentation of our schools and then we went to sleep.

We were really happy this day as we saw snow, something really rare in our village.

7th of April, Thursday

On Thursday we woke up and had breakfast at 7:30.

After that we had some energizing activities and language lessons.

At 11:00 we had a walk around the camp to photograph the stunning environment and local herbs and animals.

We had lunch at 1:30.

After that we separated into international groups and we wrote lyrics for the Erasmus song.

At 5:30 the Italian Red Cross gave us some first aid lessons.

At 7:30 we had lunch and we saw the results of the painting contest.

We learned some interesting information from the Red Cross that could be very useful in the future

8th of April, Friday

We had breakfast at 7:30.

At 9:30 we left for the town of Parma.

We visited lots of sightseeings (Ducal park, Cathedral Square, Garibaldi Square Farnese theatre) and went for shopping and lunch in the beautiful town.

On our way back, at 5:10 we visited a castle and learned about its deep history.

We had lunch, filled the booklets and went for sleep.

All the sightseeings were stunning and we had a lot of fun in the town.

9th of April, Saturday

At 9:00 we had breakfast.

Then we got up on the mountain above the camp and we song the Erasmus song.

At 12:00 we had language lessons and at 1:00 lunch.

In the afternoon we took lessons of Italian dances by professional dancers.

At 8:15 we prepared buffets with national food and ate from the other countries. Every country then played national music and danced traditional dances. After that we had an amazing disco party.

We had the chance to taste many different flavors from other cultures and see their traditions.

10th of April

We had breakfast at 10:00.

At 10:30 we went hiking to the breathtaking park 'Regionale'.

At 2:00 we had lunch.

All the afternoon we were practicing for the theatrical

play and the evening we socialized with the other kids.

We ate dinner and went to sleep at 10:00.

It really helped us to take a day off all the tiring activities.

11th of April, Monday

At 7:30 we had breakfast.

At 9:00 we left for a local school and took a tour in many interesting factories like, biomass' factory, photovoltaic's park and hydroelectric factory. Also we had the chance to see how honey and parmesan are produced.

At 8:00 we had dinner and filled the booklets, then we went for sleep.

All the factories and the information we learned for them were very interesting.

12th of April, Tuesday

We had breakfast at 7:30.

From 8:30 to 12:00 we had energizing activities, language lessons, played drama games and sang the Erasmus song.

At 1:00 we had lunch and at 2:30 we visited another one local school.

In the afternoon, at 5:30 every team rehearsed their eco-play and after the dinner, at 8:30 they performed them to everyone.

At 10:00 we had a karaoke party and then we went to our beds.

Performing the eco-play was great as we all worked as a team and had so much fun.

13th of April, Wednesday

At 6:30 we had breakfast and at 7:30 we left for the town of Pisa.

From 11:30 to 5:00 we had plenty time to buy souvenirs and admire the plenty sightseeings, like the great tower of Pisa.

At 8:30 we had dinner.

The tower of Pisa was breathtaking!

At 14th of April, Thursday

The last day we had breakfast at 7:30.

We had language lessons and played drama games.

At 2:00 we had lunch and after that every country was interviewed about the experiences in the camp.

We had to pack our languages and the evening, at 8:00 we had a great party for the goodbye.

At 3:00 am we left for the airport.
